You will love, laugh a lot, be surprised, get very angry, play a lot, and miss a lot.

Our protagonist's uncle knows everything. His uncle knows the places he has never been, seas he has never seen, fierce waves, starless nights, and strange animals no one has ever heard of. His uncle is like that, he talks and talks, and sometimes our little protagonist doesn't understand anything. Such as when there are billions of brown eyes in the world and he doesn't understand why his uncle needs to go to America; to a completely different part of the world, in search of a pair of brown eyes. He called it "love". What was this love? A warm and very funny story told through the eyes of a child, looking at the world of adults from a child's perspective.
