**It's never too late to chase your dreams...  
Even if it involves a homemade balloon!**

Mrs. Star, who had loved traveling all her life, is an old lady now. She's trying to find new hobbies to spend some time on, but just one thing is always on her mind: Traveling around the world with her animal friends, Caramel the dog and Cico the mice! One day,

she decides to make her own balloon and starts to travel by flying, and the story begins. We'll travel from Istanbul to Paris, Venice to Barcelona, Norway to London, Egypt to Sub-Saharan, India to China...

Besides being a book for all ages, this title strengthens the connection with the world around us with its lovely story and inspiring illustrations.
